

## VF62271/G500 - FriFri Vision 622 Electric Free-standing Twin Tank Fryer - 2 Baskets - W 600 mm - 2 x 11.4 kW

The FriFri 2 x 11.4kW Vision 622 Twin Tank Free Standing Fryer comes with adaptive cooking technology and 19 pre-set cooking programmes, meaning you can have your most inexperienced staff operating it and still achieve perfect, great tasting fried food.

- ✓ Producing consistently perfect, great tasting fried food has never been so effortless
- ✓ Touchpad operation and highly responsive digital electronic control able to maintain oil to +/-1 °C of the temperature selected
- ✓ Vertically coiled element for greater surface contact with oil, delivering fast recovery and preventing oil from scorching and degrading
- ✓ 19 preset cooking programmes make it easy to assign menu items
- ✓ Twin tanks offer the versatility to cook different foods simultaneously and optional twin pumps help cater for special dietary requirements
- ✓ Integral gravity filtration extends oil life by up to 75% saving you money on oil purchase and disposal costs. Optional xFri® integrated oil pump and filtration system, increases efficiency, convenience and safety while extending oil life and saving you money
- ✓ Available with optional LiftFri® automatic basket lifting system for failsafe frying
- ✓ Pressed tank for strength and durability. Radiused corners for easy cleaning. Hinged elements with two tilt positions for draining and cleaning
